

Don't Make Life Easy

for Roaches...

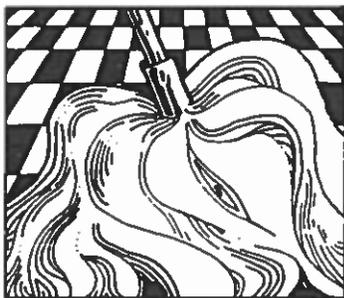

...Roaches Need Food, Water,
and Hiding Places to Survive

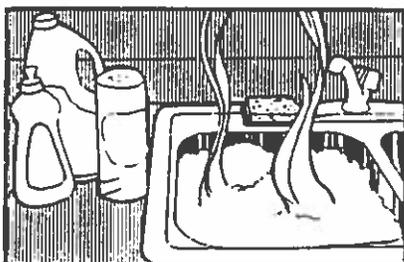

- Put garbage in a container with a tight-fitting lid or in a sealed plastic bag.
- Take garbage to the dumpster or the trash chute every evening.
- Do not collect old newspapers, magazines, boxes, or paper bags.

- Store foods in the refrigerator or keep them covered or wrapped.
- Clean up food scraps.
- Keep kitchen counters and shelves clean.

- Clean grease from the stove, range hood, and walls.
- Mop floors regularly.
- Keep pots, pans, and dishes clean.

- Don't leave dirty dishes out overnight.

Clean Up Kills Roaches!
