Project Title: Hill Campus Fire Risk Reduction Project

Project Location: UC Berkeley hill campus, Berkeley and Oakland, Alameda County

Project Description:

In order to reduce hazardous fire risk to people and structures in the East Bay Hills, the University of California, Berkeley has approved vegetation management work on its properties as outlined and included in grant applications submitted to Cal OES by UCB, plus additional vegetation management work not eligible for FEMA funding, as outlined in the Hazardous Fire Risk Reduction Final Environmental Impact Statement, East Bay Hills, California (EBH EIS). The proposed project incorporates relevant measures from the 2020 LRDP EIR and the EBH EIS. The proposed action includes compliance with conditions of approval set forth in a Biological Opinion completed by the United States Department of the Interior Fish and Wildlife Service in 2013, and includes post treatment measures and monitoring; post treatment measures were sometimes referred to in the EBH EIS as the UCB Mitigation Monitoring Plan, but are referred to in the HCFRR Addendum as the Biological Opinion Post Treatment Monitoring Plan for clarity.

This is to advise that the University of California, Lead Agency for the project, has approved the above-described project on June 23, 2016 and has made the following determinations regarding the above-described project:

1. The project **will** have a significant effect on the environment.
2. An Addendum to the UC Berkeley 2020 LRDP EIR was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures **were** made a condition of the approval of this project.
4. A mitigation reporting or monitoring plan **was** adopted for this project.
5. A Statement of Overriding Considerations **was** adopted for this project.
6. Findings **were** made pursuant to the provisions of CEQA.

This is to certify that the final LRDP EIR with comments, responses, and record of project approval is available to the general public online at lrpd.berkeley.edu and at the Real Estate offices, 300 A&E Bldg, Berkeley CA 94720-1382. Attn: Todd Henry (510)642-1173.
